

Dear Prospective Sponsor,

Planning for **GOSH 2015** has begun! The Oregon Governor's Occupational Safety & Health Conference is slated for March 9-12, 2015.

We hope your company will help us make this quality conference affordable to all. Your support of occupational safety and health by a sponsorship will be visible throughout the conference to the more than 2,000 workplace safety-and-health-minded attendees expected in 2015. The included flyer highlights the sponsorship benefits and options available to companies and individuals.

With the help of sponsors like you, the American Society of Safety Engineers Columbia-Willamette Chapter (a non-profit organization), and the partnership with Oregon OSHA, have offered employers and employees a quality conference at an affordable price for more than 60 years.

If you have questions about GOSH Sponsorship, I'd be happy to answer them for you and further explain the sponsorship opportunities and benefits. Your participation can help create change in the workplace leading to self-reliance in the prevention of injuries, illnesses, and fatalities.

We appreciate you partnering with us to make this all possible!

Sincerely,

Corinna Kupelwieser
