#### EXHIBITS OPEN MARCH 10 & 11, 2009

##### GENERAL

All matters and questions not covered by the exhibit application, the general information, and rules and regulations are subject to the decision and approval of the 2009 GOSH Conference Executive and Exhibits Committee. These rules and regulations may be amended or supplemented at any time by the 2009 GOSH Conference Executive and Exhibits Committee, and all such amendments or additions shall, upon reasonable notice, be as equally binding on all parties affected as the original.

##### ASSIGNMENT OF SPACE

The Exhibits Committee will assign space based on the following: receipt date of application with full payment of fees, registration of multiple booths, and consideration of potential conflicts with competing like-market exhibitors. The Exhibits Committee cannot guarantee assignment of booth preference.

All measurements shown on the floor plan are approximate, and the Exhibits Committee reserves the right to make such modifications as may be deemed necessary to meet the needs of the show and conference.

##### USE OF SPACE

The space contracted for is to be used solely for the exhibitor whose name appears on the exhibit space application, and it is agreed the exhibitor will not sublet or assign any portion of space without the consent of the Exhibits Committee.

Exhibitors must rent sufficient space to contain their exhibit completely within the confines of booth lines. Equipment may not extend into the aisles, across the exhibitor's purchased booth space, or otherwise obstruct the view of or negatively affect other exhibitors. Any materials extending above 12 feet must have prior approval of the Exhibits Committee. Stock of merchandise for sale must be stored out of sight.

No food or beverages shall be given away by exhibitors in the exhibit hall or the Oregon Convention Center that duplicates those provided by the Oregon Convention Center. The dispensing of alcoholic beverages by exhibitors will not be permitted. The Oregon Convention Center has exclusive rights for the distribution of food and beverages within the Center, and shall be the decision making authority should any questions arise.

##### SPECIAL EQUIPMENT RESTRICTIONS

Unusual or objectionable lighting, noises, or odors will not be permitted. The use of loudspeakers and public-address equipment is prohibited. Exhibits that include the operation of any noise-making equipment (including TV/VCR units) must be conducted so that the noise resulting from demonstrations will not disturb adjacent exhibitors.

The operation of oil, alcohol, or gasoline engines is prohibited during the show, and all such engines must be free of all such fuels and fuel tank caps must be taped closed. All battery cables must be disconnected and cable ends must be taped.

*All decorative materials must be flame retardant. All exhibits must comply with City of Portland ordinances and regulations and State Fire Marshal regulations.*

##### LIABILITY

Security patrol will be provided in the exhibit hall between show hours. ASSE, Oregon OSHA, and the Oregon Convention Center assume no liability for property loss from your booth or equipment due to robbery, fire, accident, or any other hazard, without limitation.

##### SALE OF MERCHANDISE

Orders with exchange of monies may be performed, but delivery must be facilitated apart from the exhibit hall. Exception: Small items such as personal protective equipment, videos, computer software, books, etc. The 2009 GOSH Conference assumes no liability for monies or orders exchanged at the conference. Give away items are to be limited to publications, catalogs, pamphlets, printed material, sample products, or souvenirs. The Exhibits Committee will provide a location to post winners of promotional giveaways, if exhibitors want to use it.

##### EXHIBITOR PERSONNEL

Exhibitor's representatives staffing the booth will be owners, employees, or agents of exhibiting companies, and such representatives will wear proper badge identification furnished by the 2009 GOSH Conference.

##### DISMANTLING OF EXHIBITS/MOVE-OUT

No material may be removed from the show floor prior to move-out time without prior written approval of the Exhibits Committee. Out of consideration and safety for the other exhibitors and attendees, *we request that you keep your booth intact until the 3 p.m. tear-down on Wednesday, March 11.*
