

Dear Prospective Sponsor,

Planning for **GOSH 2023** has begun! The Oregon Governor's Occupational Safety & Health Conference is slated for March 6-9, 2023, at the Oregon Convention Center in Portland.

We hope your company will help us make this quality conference affordable to all. Your support of occupational safety and health by a sponsorship will be visible throughout the conference to the more than 2,000 workplace safety-and-health-minded people expected in 2023. The included flyer highlights the sponsorship benefits and options available to companies and individuals.

With the help of sponsors like you, the partnership between the American Society of Safety Professionals Columbia-Willamette Chapter (a non-profit organization) and Oregon OSHA, has offered employers and employees a quality conference at an affordable price for more than 60 years.

If you have questions about GOSH Sponsorship, I'd be happy to answer them for you and further explain the sponsorship opportunities and benefits. Your participation can help create change in the workplace leading to self-reliance in the prevention of injuries, illnesses, and fatalities.

We appreciate you partnering with us to make this all possible!

Sincerely,

Dave McNiel, CSP  
GOSH Sponsorship Committee Chair
