

Dear Prospective Sponsor,

Planning for **GOSH 2025** has begun! The Oregon Governor's Occupational Safety & Health Conference is slated for March 3-6, 2025, at the Oregon Convention Center in Portland.

One of our goals is to keep this quality conference affordable to all, and we do this through sponsorships! When you make a contribution and show your support of occupational safety and health you not only help with costs, but will also be visible throughout the conference to the more than 2,000 workplace safety-and-health-minded people. I have attached a flyer highlighting the sponsorship benefits and options available to companies and individuals.

With the help of sponsors like you, along with the partnership between the American Society of Safety Professionals Columbia-Willamette Chapter (a non-profit organization) and Oregon OSHA, GOSH has provided employers and employees a top-notch conference at an affordable price for more than 60 years.

If you have questions about GOSH Sponsorship, please reach out to me and I will be happy to explain the sponsorship opportunities and benefits. We have lots of opportunities available, and are willing to work within any budget.

Please consider sponsoring GOSH 2025, your participation can help safety professionals continue to create change in the workplace leading to self-reliance in the prevention of injuries, illnesses, and fatalities.

We are looking forward to your partnership to make this all possible!

Sincerely,

Deb Bridges
GOSH Sponsorship Committee Chair
