Dear Prospective Sponsor,

Planning for **GOSH 2027** has begun! The Oregon Governor's Occupational Safety & Health Conference is slated for March 1-4, 2027, at the Oregon Convention Center in Portland.

We hope your company will help us make this quality conference affordable to all, by becoming a sponsor. Once you commit, your support is featured both prior to and during the conference to the more than 2,000 workplace safety-and-health-minded people expected in 2027. The included flyer highlights the sponsorship benefits and options available to companies and individuals.

With the help of sponsors like you, GOSH, which is the product of a partnership between the American Society of Safety Professionals Columbia-Willamette Chapter (a non-profit organization) and Oregon OSHA, has offered employers and employees a quality conference at an affordable price for more than 80 years.

If you have questions about GOSH Sponsorship, I'd be happy to answer them for you and can further explain the sponsorship opportunities and benefits. Your participation will help create change in the workplace leading to self-reliance in the prevention of injuries, illnesses, and fatalities.

We appreciate you partnering with us to make this all possible!

Sincerely,

Deb Bridges
GOSH Sponsorship Committee Chair
ASSP CWC Treasurer
